15 July 2009,

To our valued customers,

As many of you are aware, Sofrana recently appointed Harbor Maritime Stevedoring as our local representatives in American Samoa. Last month Harbor Maritime advised us that their Board of Directors had made a decision to concentrate their efforts on their stevedoring and transport activities, and felt that they could not provide Sofrana with the services required.

We therefore entered discussions with Samoa Pacific Shipping who have a long history in Shipping in American Samoa, and also an historical relationship with Sofrana.

We are pleased to announce that Samoa Pacific Shipping will commence representation of Sofrana Unilines in American Samoa with immediate effect, being Southern Lily V229.

Paul, Va'a and the rest of the team in Pago Pago have a great deal of experience, and we are confident that they will meet all of your service expectations.

We look forward to working with Samoa Pacific Shipping, and can move ahead with confidence of a long and stable future in this important market.

If you have any questions regarding this change, please contact either your local Sofrana office, or Samoa Pacific Shipping.

Kind regards
