TO ALL VALUED SOFRANA CUSTOMERS:

We are pleased to announce that the current Southern Lily will be replaced with a larger vessel in January 2010. The current Southern Lily will be re-delivered back to Singapore on completion of her port call in Pago Pago on Voyage 238.

The new vessel is expected to arrive in to Auckland on 27 January 2010.

We have arranged cover for the period in between the current vessel leaving the trade, and the new one entering, to ensure that your cargo reaches destination when it is needed.
